ACTIVITY

Give each kid a paper plate, and have them cut tiny slits all around the edge of the plate with a scissor. With a long piece of yarn, have kids wrap the yarn around the plate to make their own spider web, using blue, purple, and red yarn.

Spider-Man builds webs constantly to trap his enemies and also to go from place to place very quickly. . . it's very important for him to build webs to do his job! We don't have to make anything like that, but we always need to make time for God!

How will you spend time with God in the coming week?

MEMORY VERSE OF THE MONTH: 1 Samuel 12:24 (NIV)
