

# WEEK 3

## AT HOME GUIDE

## ORIGIN STORY

Have you ever been on a team? Tell us about it in the comments. How well did your team work together? In our favorite superhero stories, whether it's the Justice League or the Avengers, there are so many examples of teams working together to save the world. I'm going to guess they got that idea from Jesus, because He built a team that helped change the world. His team of followers and disciples was made up of very different (and very ordinary) people, but here's what made them special: they were given an extraordinary mission, and then they worked hard to make that mission happen. You're invited to be a part of that same mission to save the world today. But you can't do it alone! **Heroes are stronger when they're on a team.**

### THIS WEEK

#### ***THE BIG IDEA***

Heroes are stronger when they're on a team.

#### ***THE BIBLE***

Luke 8:1-3; I Corinthians 1:26-31, 12:12-31;  
Matthew 28:16-20; Hebrews 12:14-15

- Have you ever been on a team? Tell us about it! How well did your team work together?

- Why do you think it was important to Jesus to surround Himself with people who weren't "the best of the best?" How could you be more intentional about doing this?
- What is our team's mission, according to Jesus? What are some specific ways we can accomplish that mission?
- Why do you think it was so important for Jesus' followers to work together? How do conflicts and fights hurt our team today?

- Why is it important to have people on your team who are . . .

  - Of a different culture or race than you?
  - From a different neighborhood, city, or country than you?
