

Chicktime

How will we be serving?

- We participate in Chicktime activities right alongside the girls. If their decorating cupcakes, we decorate cupcakes with them. If it's making pillowcases we make pillowcases. It's taking an interest in them as though we are their fun aunts or big sisters and showing them what a caring healthy relationship is.

How long will it take me to get there?

- It takes about an hour to get to the New Life Children's Center from Mt. Olive.

Can my whole family participate?

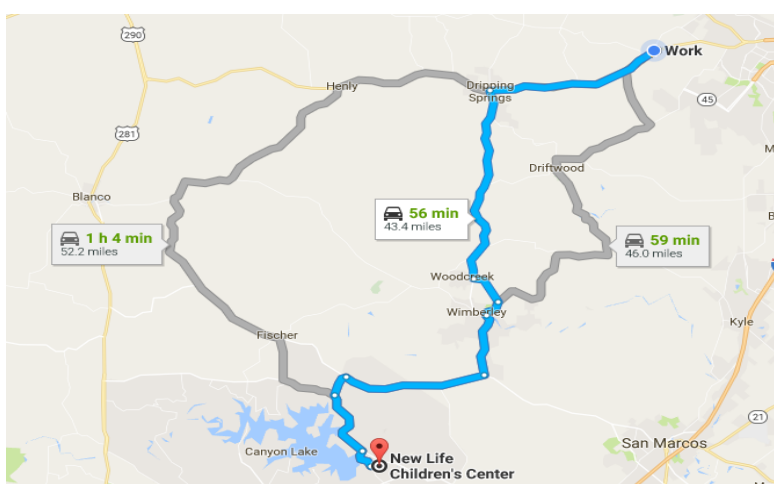

- Chicktime is only for women and daughters (12 years and up).

How often will we be serving?

- We serve on the 2nd Saturday of each month.

Does it cost anything to serve here?

- After your first visit you will need to fill out a volunteer packet provided by Upbring. You will need to have a TB test and a background check done. The TB test will need to be covered by you, the background check is done by Upbring New Life Center. You can have the TB test done at any CVS minute clinic for around \$65. They don't accept any insurance.

Information about the service opportunity:
650 Scarbrough, Canyon Lake, TX 78133
